

# KETUT ARTE WIDANE

*Bachelor of Science*

## PROFILE

*A dedicated and results-oriented professional with **four years** of experience as a Microbiology Analyst. Known for **strong analytical skills**, passionate about **solving complex problems** and continuously seeking to **learn new things** for self-development.*

## EDUCATION

**GADJAH MADA UNIVERSITY || YOGYAKARTA**

Bachelor of Science - Biology

GPA : 3,70/4,00 (*Cum Laude*).

Thesis : Antagonistic activity of bacteria against pathogenic fungi.

## WORK EXPERIENCES

- Jul 2020- Present  
PT OTSUKA INDONESIA || LAWANG, INDONESIA  
**Senior Microbiology Analyst**
- Jan 2019 - Jun 2020  
PT SATORIA ANEKA INDUSTRI || PASURUAN, INDONESIA  
**Microbiology Analyst**  
As a Microbiology Analyst, I excelled in evaluating samples against stringent standards, conducting precise microbiology and cell culture testing. My expertise includes proficiently identifying microbes through advanced technology like the VITEK 2 System, ensuring the highest quality and efficiency in pharmaceutical processes.
- Jul 2016 - Jun 2018  
GADJAH MADA UNIVERSITY || YOGYAKARTA  
**Microbiology Laboratory Assistant**
- Jul 2015 - Jun 2016  
GADJAH MADA UNIVERSITY || YOGYAKARTA  
**Biochemistry Laboratory Assistant**  
As a Microbiology and Biochemistry Lab Assistant, I helped bridge theory and practice by assisting lecturers in laboratory experiments. Through engaging lectures, discussions, and assignments, I facilitated a deeper understanding of course content, enriching the overall learning experience.
