## Soft-skill:

- **Critical thinking**
- **Problem-Solving**
- **Effective Communication**
- **Teamwork**
- **Adaptability**

## Languages:

- Indonesian - Native
- English - (C1 Advanced-(CEFR))

## Education

**Bachelor of Science (B.Sc.) in Biology** || 2014-2018

Gadjah Mada University

- **GPA** : 3,70/4,00
- **Thesis** : Antagonistic activity of bacteria against pathogenic fungi.

## Work Experience

- **Senior Microbiology Analyst** || 2020- Present  
**PT Otsuka Indonesia**

Improved quality control and qualification testing protocols for pharmaceutical products were developed and implemented by me. This initiative led to increased testing accuracy and reduced costs

- **Microbiology Analyst** || Jan 2019 - Jun 2020  
**PT Satoria Aneka Industri**

Identified a critical gap in our testing capabilities and spearheaded the development of a new protocol, resolving previous bottlenecks and ensuring smooth testing flow.
